**The Return of the Living Dead (1985) [91 min.]**  
Directed by Dan O'Bannon

They're back from the grave and ready to party in Dan O'Bannon's blast of punk rock horror hilarity! When employees at a medical supply accidentally release a top-secret toxic gas, they'll have to face off against an undead army of carnivorous cadavers hungry for only one thing: braaaaaaiinnnnssss. A stellar cast of character actors (Clu Gulager, James Karen, Don Calfa) and scream queens (Jewel Shepard, Linnea Quigley) star.

**Saturday • October 8**  
**Body Double (1984) [114 min.]**  
Directed by Brian De Palma

A seduction. A mystery. A murder. You can't believe everything you see in this sleek & sleazy thriller from director Brian De Palma. When a struggling actor takes a side gig house-sitting in the Hollywood Hills, he spies a beautiful blonde living across the way. But his voyeuristic obsessions plunge him into a dangerous new world where nothing is as it seems. It's De Palma dialed up to 11 with one of his most stylish masterworks.

**Saturday • October 22**  
**Re-Animator (1985) [86 min.]**  
Directed by Stuart Gordon

Stuart Gordon's groundbreaking splatter comedy perfectly balances Grand Guignol horrors and grotesque guffaws! When a strange new student pushes the boundaries between life and death, it threatens to deliriously derail the academic life of his strait-laced housemate. Jeffrey Combs, Bruce Abbott, Barbara Crampton, and David Gale turn in pitch-perfect performances in one of the most outrageously entertaining horror films ever to stain the screen red.

**Saturday • October 29**  
**The Exorcist: The Director's Cut (1973/2000) [132 min.]**  
Directed by William Friedkin

The greatest supernatural thriller of all-time, *The Exorcist* continues to hold audiences in an icy grip of terror! William Friedkin's Oscar-winning film adaptation of the William Peter Blatty best-seller is a seminal shocker whose shriek-inducing scares continue to horrify, outrage and disgust with its unforgettable story of a desperate mom, a possessed pea-soup-spewing pre-teen, and the two priests who hope to save them all.

And it's packed with cool tunes, classic stop motion animation, the voice of horror icon Boris Karloff, and a devious plot that involves the secret to destroying the world.

**October 29 & 30 at 2:00pm**  
**Beetlejuice (1988) [92 min.]**

When two newlyweds die in a car accident, they must haunt their recently departed home and scare away the obnoxious replacement residents, while befriending the new tenants' teenage daughter. But they get more trouble than they bargained for when they recruit rambunctious "bio-exorcist" Beetlejuice to help.
